

Billings Logan Intl. Airport Summer Safety Initiative

The FAA's Runway Safety Office has launched a new campaign to help reduce runway incursions and enhance runway safety. The program is called: "If you Cross the Line, You've Crossed the Line," the program is designed to improve awareness among pilots (and vehicle operators) about what happens when you enter the protected runway safety area --"cross the line"--when not cleared to do so.

Directions: Billings Logan International Airport Summer Safety Initiative meeting will be held in the Rocky Hall, which is located at the corner of Rimrock Road and Augusta Lane.

A message from the National FAASTeam Manager

The new WINGS--Pilot Proficiency Program is great! Check it out now!

Sign up for the FAA's safety services at www.FAASafety.gov!
